Dear Sir,

We would like to thank you for your assistance and guidance when you were contacted first time regarding the purchase of the recently commissioned CNC Polygon Turning Machine.

It is our pleasure to confirm that since confirmation to execution, inspection and shipping of our order which was done ahead of promised time, the equipment and accessories were packed very well and there was no damage or shortage on receipt in our plant.

Planned commissioning and training was done in the highest possible standards and there were no delay or rescheduling, we appreciate the timely completion and the excellent workmanship of the equipment and have no hesitation to confirm that our order was executed to the highest possible standards.

We hope you will continue with your exceptional service in the coming years to the industry and our working relationship with your company will continue.

Thanking you

Yours sincerely,

Hervinder Singh Chana (Director)
